At the **Alembic Group of Schools**, we take pride in our legacy of nurturing young minds through a holistic education that **balances tradition** with **modernity**. Our schools inspire intellectual curiosity, creativity, and strong values, making us **a trusted name in education**.

Our newest addition, **UWS** in Bangalore, embodies our vision for the future. It offers a state-of-the-art campus, a forward-thinking curriculum, and a nurturing, inclusive environment. We seamlessly blend our time-honored principles with modern educational practices, providing each child with **a well-rounded education** that empowers them to thrive in an ever-evolving world.

FROM THE TRUSTEE'S DESK

Shri. Chirayu Amin
Chairman, Alembic Group

Dear UWS Family,

Greetings!

It is with immense pride that I write to you as the Trustee of Alembic Group of Schools Educational Trust, an institution that has been shaping young minds for over 70 years.

Our institutions are committed to the highest standards of academic excellence and character- building.

We have seen generations of students pass through our halls, equipped not only with knowledge but with the strength of integrity, compassion, and leadership. Our journey has been one of continuous growth, evolving with the times while staying true to the core values that define us.

At UWS, we strive to create a dynamic environment where students can explore their potential in both academics and co-curricular activities. Our dedicated faculty, modern facilities, and balanced curriculum ensure that every child receives the holistic education they deserve. Our commitment to nurturing curiosity, creativity, and ethical values remains as strong as it was when we started.

The rich legacy of our educational trust is built on the foundation of community support and trust, and I am deeply grateful for the unwavering encouragement from our parents, guardians, and alumni. Your faith in our vision has been instrumental in helping us uphold the values of excellence that have guided us for generations.

I invite you to explore our school and learn more about the vibrant learning environment that UWS offers. Together, we will continue to uphold our legacy, inspire future generations, and build a brighter, more informed world.

Thank you for being an integral part of this extraordinary journey.

Warm regards,

THE SCHOOL

UWS, Established in 2019 is a humble tribute of Alembic Pharmaceuticals Limited, a 110 year old company to the city of Bangalore. Located on a spacious campus in Whitefield, our co-educational English medium school is affiliated with the Central Board of Secondary Education (CBSE), New Delhi. We offer state of the art modern facilities that allow every student the freedom to explore and learn.

The Belief

At UWS, we believe that every child is unique, with strengths, talents & passions waiting to be discovered. Our approach to education is holistic, child-centered, focussing on nurturing each child's intellectual, emotional & social development.

The Practice

We understand that true learning goes beyond textbooks. By creating a supportive, inclusive & stimulating environment, we aim to foster curiosity, critical thinking and an overall love for learning. Through personalized attention, we strive to uncover each child's potential helping them to grow into well rounded individuals ready to face the future with resilience & purpose.

UWS believes that every child is unique and every family is important. Visit our school to discover firsthand the vibrant learning environment and unique opportunities we offer your child.

CAMPUS & FACILITIES

UWS, Nestled in the heart of Whitefield-Bangalore, boasts a spacious and modern campus that fosters curiosity, innovation, and holistic development. Every corner of our campus is thoughtfully designed to inspire learning, creativity, and growth.

A Campus Of Excellence

At UWS, we believe that education extends beyond the classroom. Our campus is a vibrant hub where academics, extracurricular activities, and sports blend seamlessly. We encourage our students to explore their interests, refine their talents, and pursue their passions, whether in music, dance, art, or athletics.

State-of-the-Art Infrastructure

Our infrastructure is meticulously designed to create an effective and dynamic educational environment. The academic block includes modern smart classrooms and well-equipped laboratories for mathematics, science, and computer studies, all aligned with the curriculum to provide hands-on learning experiences. The classrooms are spacious and feature the latest technology to enhance learning. Additionally, our campus includes an indoor gym, ensuring students stay active year-round.

Dedicated Spaces for the Youngest Learners

Understanding the unique needs of our kindergarten students, we have separate indoor play areas & outdoor play areas and a specialized skating area, promoting physical activity in a safe and engaging environment.

Comprehensive Outdoor Facilities

Our sprawling playgrounds like Volleyball, Football, Cricket and dedicated co-curricular spaces provide ample opportunities for students to nurture their sporting talents and engage in various activities. Whether on the field or in the studio, every student has the space to grow.

A World of Unlimited Learning

At UWS, our campus stands out as one of the most enriching educational environments. With advanced academic infrastructure and abundant extracurricular facilities, we offer a world of unlimited learning possibilities, ensuring every student has the resources and support they need to thrive.

LIFE AT UWS

ACADEMIC EXCELLENCE

Our curriculum is meticulously designed to cater to diverse learning styles and multiple intelligence. Hands-on modules enable students to achieve comprehensive learning goals across various subjects.

An integral part of our syllabus, **the Integrated Curriculum** fosters a deeper understanding of subjects and encourages connections between different areas of study.

We offer a robust academic framework complemented by **an extensive extracurricular program** in sports, art & craft, music, dance, and drama. This holistic approach equips students with practical skills to tackle everyday challenges.

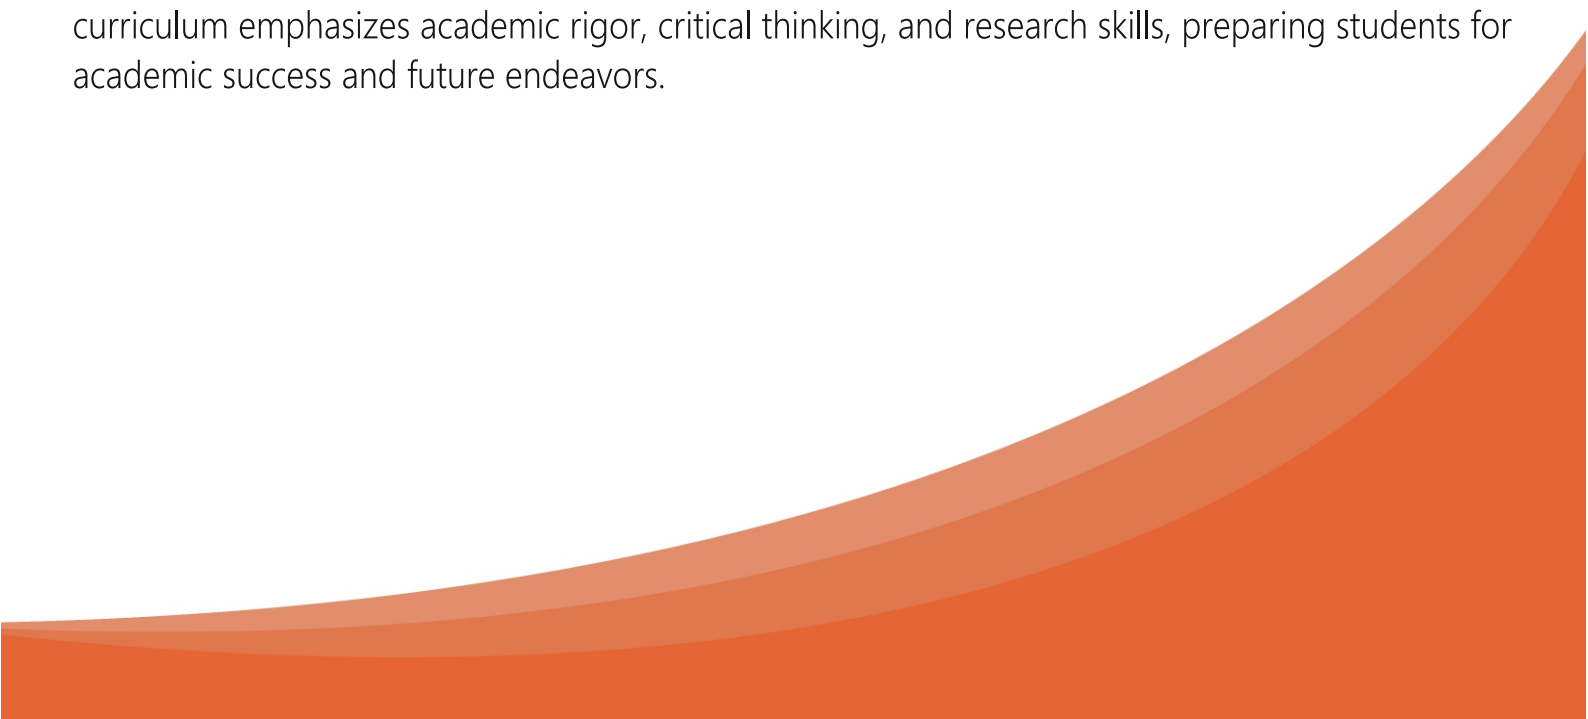

Evaluation is ongoing throughout the academic year, providing continuous assessment of student progress. It offers valuable insights for parents to track their child's academic journey and supports collaborative efforts between parents and educators.

Our continuous evaluation system provides clear feedback, fostering open communication, mutual respect, and a thriving community for all students.

We prioritize **Individual Attention**, crucial for the success of our Multiple Intelligence curriculum. This approach supports each student's unique academic, physical, emotional, spiritual, and intellectual growth.

Innovative Teaching Methods

Our dedicated staff is trained to assess developmental milestones, diagnose learning challenges, facilitate instruction, and guide curriculum decisions. From Primary Years to Secondary Levels, our curriculum emphasizes academic rigor, critical thinking, and research skills, preparing students for academic success and future endeavors.

BEYOND ACADEMICS

At UWS, education transcends traditional textbooks. We believe that true learning occurs through diverse experiences that foster creativity, collaboration, and personal growth. Here's a glimpse into the vibrant activities our students engage in:

From painting to sculpture, the **creative arts program** at UWS encourages imagination to flourish, allowing students to express their unique perspectives and develop their skills in a supportive environment.

With a **rich music program**, UWS nurtures budding musicians and vocalists. Students have the opportunity to delve into rhythm, melody, and harmony, whether they're composing original pieces or collaborating in ensembles.

Through our **dynamic dance program**, students embrace the art of movement. With classes ranging from contemporary to hip-hop, they learn to express themselves with grace and energy.

Our **sports activities** encourage students to excel both physically and mentally. From competitive teams to recreational leagues, students cultivate resilience and camaraderie while maintaining an active lifestyle.

MAKING LEARNING FUN

The UWS logo features a modern, stylized design with the school's acronym 'UWS' in bold, clean typography, accompanied by two human figures. As a world school, it imparts international-quality education while remaining connected to its Indian roots and ethos.

The two human figures emerging from the 'U' represent - orange for creativity & vibrancy and green for growth.

The blue color used for UWS typeface represents discipline, organisation and a professional approach.
